

Current status of digitized documents in Romanian libraries

Ph.D. Nicoleta-Roxana DINU, National Library of Romania

Presentation

This is my country. Its capital is Bucharest (not Budapest! 😊)

And this is my modern library:

Tasks of our Digital Library Department as national centre of digitization:

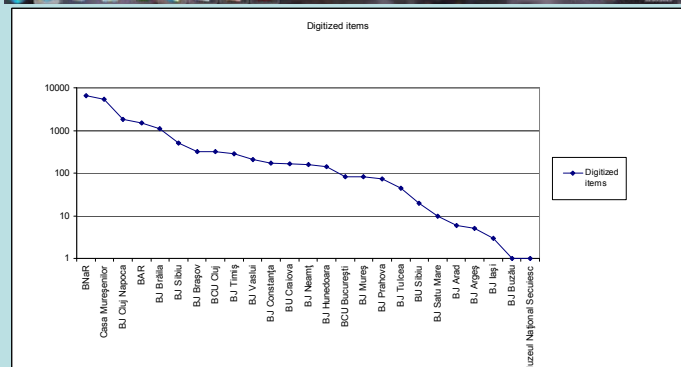

- Management of the **Inventory of digitized works** held by Romanian libraries, as a useful tool in order to avoid the duplication of digitization efforts
- Creation of methodological materials on digitization
- Giving specialized assistance to libraries
